Rep. Kevin McCarthy
Republican Leader in the U.S. House of Representative
2468 Rayburn House Office Building
Washington, D.C. 20515

Dear Representative McCarthy,

As the largest Hispanic Republican political organization in the nation, we are incredibly frustrated with this country's situation. The Democrats are carrying out an impeachment process full of deception. This is harmful not only for our president, but for our people and our world.

The RNHA upholds the constitution and embraces the Judeo-Christian foundation of our country. Based on those beliefs, we call for an end to the terrible travesty of justice unfolding in Washington in the form of impeachment hearings.

Any delay in stopping this impeachment is unacceptable as the Democrats have put our country at risk by placing important bipartisan efforts on hold. Those include the United States-Mexico-Canada Agreement. As Hispanics, we have great interest in the USMCA because it will be an incredible benefit to America's farmers, ranchers, businesses, and workers. It is estimated to create as many as 589,000 new American jobs.

Meanwhile, Democrats are wasting taxpayer dollars trying to build a case against our President for doing his job. What he did was discuss potential corruption involving a former Vice President in one of the most corrupt countries on earth. Let us not forget it was Former Vice President Joe Biden who called for the firing of a Ukrainian prosecutor who was investigating his son while Biden threatened withholding of US aid.

The Republican National Hispanic Assembly calls on all Republican Congressmen, Senators, and GOP leaders to do everything in their power to stop these fake impeachment hearings and to publicly defend our President.

President Trump has delivered across the board. Today's booming economy is leading to more and more job opportunities for Hispanic Americans, driving Hispanic unemployment to record lows while Democrats obstruct and rely on their allies in the media to smear his progress.

As a Hispanic organization, we offer our total commitment to President Trump, who has kept his promises by helping all Americans but especially those of Hispanic descent.

May God continue to bless you and this nation.

Respectfully,

Republican National Hispanic Assembly
