REF: ENDORSEMENT OF RONNIE LUCERO – CONGRESSIONAL DISTRICT 1 OF NEW MEXICO

The Republican National Hispanic Assembly is excited to endorse Mr. Ronnie Lucero as the official Candidate for the United States Congress of Congressional District 1 for the great state of New Mexico. As the Country's largest Republican Hispanic Organization, we know that Mr. Lucero will work hard for the families of CD-1.

Mr. Lucero's relentless voice in favor of those disadvantaged in New Mexico is second to none. The fact that Mr. Lucero believes in "Equal Opportunity" over "Equal Outcome" sets him apart from the rest.

While the decision was not taken with ease, Mr. Lucero has consistently stood apart from the other candidates. He has from the beginning expressed a willingness to serve all Americans. We have heard Mr. Lucero, and we are delighted that he is a breath of fresh air! A person of and for the People vs. a smooth-talking politician. His knowledge of the District and the Constitution is something that isn't seen very often. His commitment to God, Family, and Country is honorable – for these reasons, we are honored to endorse him.

Respectfully,

Betty Cardenas
National Chairwoman
